A web authoring system based on bootstrap framework within 5 sections that contains all the required multimedia components with considerations of ease-of-navigation and usability.

The production can be considered as a vehicle for propaganda of artists and their works. It aims to enable people to learn more about the arts and experience the connection between paintings and music even in different era.

VINCENT VAN GOGH

Vincent Willem van Gogh (March 30, 1853 to July 29, 1890) was a post-impressionist painter whose work, notable for its beauty, emotion and color, highly influenced 20th-century art. He struggled with mental illness, and remained poor and virtually unknown throughout his life. Van Gogh died in France at age 37 from a self-inflicted gunshot wound.

He completed more than 2,100 works, consisting of 860 oil paintings and more than 1,300 watercolors, drawings and sketches. Several of his paintings now rank among the most expensive in the world.

I DREAM OF PAINTING AND THEN I PAINT MY DREAM

3D modeling – reconstructing ‘Bedroom in Arles’

using Blender

I'M 23 I'M A RIDDLE TRY TO GUESS THE ANSWER

Composting Video –

chroma key is used to combine foreground subjects in blue-screen video to the selected background videos

Data Analytic Web Application

be given a data set, containing some historical data, query and compute various summary statistics at server side and present the results on a web page
